

SAMPLE TESSELLATIONS: The pictures below show how the characters in TessieLetterLL form tessellation patterns. The first column shows images formed with TessieLetterLL-Regular, the second column with TessieLetterLL-Outline, and the third column shows the alphanumeric characters used. Spacing is unusual in some patterns, so to get colors, it is best to color the alphanumeric characters.

'"/?'"/?'"/'

'"/?'"/?'"/'
